

# Voluntary Benefits 101

Colonial Life

## What are voluntary benefits?

Sometimes called “supplemental insurance,” voluntary benefits are policies you buy to add to the health and life insurance your employer may already provide. These benefits can help you pay for things your other insurance won’t, such as lost wages, out-of-pocket expenses and household bills.

## Advantages\*

### Flexibility

Use claim payments however you like – pay deductibles, co-payments and other expenses not covered by your health or life insurance.

### Portability

Take coverage with you if you leave your job or retire.

### Stability

Maintain coverage whether or not you’re employed.

### Convenience

Pay premiums using your choice of payroll deduction, bank draft or direct billing.

\*Advantages may not apply to all products. See your Colonial Life benefits counselor for complete details.
