Office Hours are 8:00 am to 4:00 pm Monday through Friday or By Appointment.

35 ILCS 200/9-225 authorizes the county to be divided into four quadrants, one to be reassessed each year, rather than the whole county every 4 years. 2025 is a reassessment year for Makanda, Pomona, Sand Ridge, Grand Tower, Levan, Kinkaid, Degognia, Ft. Bluff townships. 2026 will be the reassessment year for Bradley, Ora, Vergennes, Elk, and Desoto.

Property in this county, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value

should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review.

If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

1. Contact your Township Assessor or Supervisor of Assessment's office to review the assessment.
2. If not satisfied with the assessor review, taxpayers may file a complaint with the Jackson County Board of Review. For complaint forms, instructions, and the Rules and Procedures of the Board of Review, call 618-687-7220 Ext 3102 or 618-687-7226, or visit the Board of Review webpage at www.jacksoncounty-il.gov. Appeals can be submitted via email at Assessment-Appeals@jacksoncounty-il.gov, or in person at 900 Walnut Street Murphysboro IL. There is also a drop box on the east side of 900 Walnut St. Murphysboro IL.
3. The final filing deadline is generally 30 days from this publication date, specifically November 24, 2025. After this date, the Board of Review is prohibited by law from accepting assessment complaints. For more information on complaint deadlines, call 618-687-7220 Ext. 3102 or visit the Board of Review page at www.jacksoncounty-il.gov.

Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions call 618-687-7220, or visit www.jacksoncounty-il.gov.

Your property tax bill will be calculated as follows:

Final Equalized Assessed Value - Exemptions = Taxable Assessment;

Taxable Assessment x Current Tax Rate = Total Tax Bill.

All equalized assessed valuations are subject to further equalization and revision by the Jackson County Board of Review as well as equalization by the Illinois Department of Revenue.

What follows is a COMPLETE LIST OF ALL parcels for the reassessed townships of Makanda, Pomona, Grand Tower, Sand Ridge, Ft. Bluff, Degonia, Kinkaid, and Levan. Also listed are all other parcels WITH A CHANGE in the value for the current assessment year, except for those assessments that were changed solely by equalization as noted above.
